INDUSTRIAL MINERALS SINCE 1897

January 2, 2006

TO WHOM IT MAY CONCERN

After investigation of raw materials and processing methods employed by Charles B. Chrystal Co., Inc., we find that the following products are acceptable for use in KOSHER food.

CREAM BENTONITE

Our products are made from high purity deposits of Cream Bentonite, which are pulverized and contain no additives whatsoever.

The machinery used to manufacture/process our Cream Bentonite products do not come in contact with animal fat.
